Dear Sir/Madam,

**Re: Scores on the Doors  
Islamia School Centre, 129 Salusbury Road, London, NW6 6PE**

The London Borough of Brent is taking part in the Scores on the Doors scheme which provides information to the public about the result of your last food hygiene inspection. Each business is given a star rating between 0 and 5 stars. Businesses that fall under the scheme are listed on the [www.food.gov.uk/scores](http://www.food.gov.uk/scores) and [www.brent.gov.uk/scores](http://www.brent.gov.uk/scores) website, where you will be able to check the star rating for businesses that have been inspected since the 1st January 2006.

Enclosed is your Scores on the Doors Star Rating Certificate and a window sticker with your star rating together with a leaflet which explains the scheme in more detail. The sticker should be displayed near the front entrance to your premises where it will be clearly visible to customers. The certificate should be displayed inside the premises where your customers can read it easily. Details of your star rating and inspection scores are given below. Details of your right to reply is also enclosed.

**Date of inspection:** 09/11/2009

Type of food and method of handling:	30
Method of processing:	0

Please note that if you have taken over the business since the date of the inspection you are not entitled to use the certificate or sticker and you should inform us immediately. The enclosed certificate and sticker will be collected at the next inspection when a new certificate and sticker will be issued.

This as an opportunity to recognise businesses with high standards and encourage good food hygiene standards throughout the Borough. Should you require any further information on the scheme please visit the scores on the doors website.

Yours faithfully,
